

CRYPTO CRACKLE

DESCRIPTION:

If you have the vision to see what the code says join us!!

I can't teach anybody anything I can only make them think. Let start cracking a mind with the codes. All you need is to use your code book and to come out with the solution.

RULES:

- *A team of two participants are allowed.*
- *Code book will be provided.*

ROUND 1: *objective type prelims will be conducted.*

ROUND 2: *selected candidates will have a quiz, which can be solve by using code book.*

ROUND 3: *Final judgement is made by conducting quiz. Here using a code book is strictly prohibited.*
